Subject: Martha Miller, Choice Community CU - Comments on ANPR for Part 704
Date: Monday, April 06, 2009 5:30:42 PM

Would like to continue to have a "local/regional" Corporate Credit Union with all of its current products and services. First Carolina Corporate CU does a great job and could be expanded to include additional states.

I agree with the comments provided to you from First Carolina Corporate CU.
